📍 Kottayam, India

PROFESSIONAL SUMMARY

Graduating Computer Science & Cyber Security engineer with a strong foundation in **Python** development, network security, and data analysis. Hands-on academic experience implementing software solutions and conducting vulnerability assessments. Possesses sharp analytical problem-solving skills and a proven track record of academic excellence. Eager to leverage a dual background in development and secure infrastructure to contribute to fast-paced technology teams.

EDUCATIONS

University College of Engineering | Thodupuzha, Kerala MMM 2022 - Present
B.Tech in Computer Science and Cyber Security CGPA : 6.72

- **B.Tech in Computer Science and Cyber Security**, University College of Engineering, Thodupuzha, Kerala, CGPA: 6.72, Expected Graduation: 2026

St. Aloysius HSS | Athirampuzha, Kerala MMM 2020 - MMM 2022
Higher Secondary Education (Plus Two) CGPA : 90.75%

- **Higher Secondary Education (Plus Two)**, St. Aloysius HSS, Athirampuzha, Kerala, **90.75%**

St. George's VHSS | Kaipuzha, Kerala MMM 2018 - MMM 2020
SSLC CGPA : 98.89%

- **SSLC**, St. George's VHSS, Kaipuzha, Kerala, **98.89%**

PROJECTS

Masked Face Recognition and Reconstruction System MMM 2023 - MMM 2023
Developer

- **Prepared and organized facial image datasets** for user registration and recognition workflows.
- **Performed system testing** under varied lighting conditions and facial angle variations to evaluate recognition accuracy and reconstruction quality.
- **Validated** masked face recognition and face reconstruction functionalities through structured testing.
- **Collaborated** with team members to analyze system performance and identify areas for improvement.
- **Documented testing observations** and system behavior throughout evaluation phases.
- Gained practical exposure to **computer vision**, **image processing**, and **AI-based facial recognition systems**.

Technologies / Tools Used : Python, OpenCV

SKILLS

Languages : Malayalam, English

Programming Languages : Python

Soft Skills : Analytical Thinking, Team Collaboration, Technical Documentation, Fast Learning, Research

Tools & Platforms : Wireshark, Nmap, Burp Suite
